ORDER: -

The Bhagwan Mahavir Jain Relief Foundation Trust (BMJRFT), a not-for-profit organisation, has stated in its proposal that the Trust has been providing subsidized dialysis care to the patients with chronic renal failure (CRF), especially those below the poverty line and those who cannot afford the expensive dialysis services offered by the hospitals and nursing homes in the private sector. Further, it was submitted that although Aarogyasri provides dialysis services to persons Below Poverty Line (BPL), a sizeable number of those with CRF are unable to get the benefit due to limited dialysis capacity existing in the state. Recognizing the requirements of poor patients, it was informed, that the BMJRFT has started subsidized dialysis services in Mahavir Hospital, Chella Nursing Home and Mahesh Hospital. The Trust has performed over five thousand dialysis since its launch six months ago. Given this experience, the Trust has requested the Government to provide about 5,000 square feet of space with water and power services in any government hospital in Hyderabad to set up state-of-art dialysis centre at their own cost to provide dialysis services to poor patients under Aarogyasri and to non-poor CRF patients at a subsidized cost of Rs.300 per dialysis.

2. In the reference second cited, the Managing Director of Andhra Pradesh Health & Medical Housing & Infrastructure Development Corporation, Hyderabad, who was assigned the task of developing a Public and Not-for-Profit Partnership (PNPP) model for dialysis and allied interventions through a consultative process, has submitted recommendations to the Government for establishment of a Dialysis Unit with 20 machines in the District Hospital, King Kothi, Hyderabad through a partnership agreement between Andhra Pradesh Vaidya Vidhana Parishad and Bhagwan Mahavir Jain Relief Foundation Trust (BMJRFT) include the following:

3. The Government, after careful examination of the proposal of Bhagwan Mahavir Jain Relief Foundation Trust (BMJRFT) and the recommendations of the Managing Director of Andhra Pradesh Health & Medical Housing & Infrastructure Development Corporation, Hyderabad has decided to establish dialysis units in the District Hospitals of the state in partnership with not-for-profit Medicare institutions with domain experience to cater to the needs of those suffering from chronic renal failure who are unable to afford the rising cost of haemodialysis.

/p.t.o./

4. In this background, the Government hereby approve the establishment of a Dialysis Unit with 20 machines in King Kothi Hospital by Andhra Pradesh Vaidya Vidhana Parishad in partnership with Bhagwan Mahavir Jain Relief Foundation Trust, Hyderabad and King Kothi Hospital Development Society (HDS). Accordingly, the Commissioner of Andhra Pradesh Vaidya Vidhana Parishad and the King Kothi Hospital Development Society are hereby authorised to execute a Memorandum of Agreement (MOA) with Bhagwan Mahavir Jain Relief Foundation Trust that shall be valid for a period of five years from the date of signing of the Agreement. The Memorandum of Agreement (MoA), however, can be terminated if any one of the partners renege on their respective commitments, with one month notice provided amiable negotiations and arbitration fail to fructify resolution. The Memorandum of Agreement (MOA) shall include the following conditions:

- i. The King Kothi Hospital Development Society will provide the space required for establishment of the dialysis unit not exceeding 5,000 square feet, which will be remodeled by the Trust at its own cost to establish the dialysis unit. The Hospital Development Society will pay the water and electricity charges incurred on the maintenance of dialysis unit every month.
- ii. The Trust will establish the dialysis unit by suitable remodeling of the space provided by the Hospital Development Society and will meet the expenditure on doctors, nephrologists, supporting staff and consumables and will ensure proper upkeep and maintenance of the dialysis unit and the machines.
- iii. All patients below the poverty line (BPL) in need of dialysis will be financed under Aarogyasri Scheme of the Government. The payment made by the Rajiv Aarogyasri Trust will be shared equally by the Trust and King Kothi Hospital Development Society (HDS).
- iv. The patients with chronic renal failure, who are Above the Poverty Line (APL), will be treated at a cost of Rs 450 per dialysis, of which Rs.150/- will be paid to the Hospital Development Society and the remaining to the Trust. The Above the Poverty Line patients so treated will include those referred by the Trust as well as the Superintendent, King Kothi Hospital. To ensure transparency in this regard, a priority register will be maintained jointly by the Trust and the Hospital Development Society. The Below the Poverty Line (BPL) patients will have priority over the Above the Poverty Line (APL) at all times.
- v. The Andhra Pradesh Vaidya Vidhana Parishad will assure about 540 treatments (haemodialysis) per machine per year and will facilitate registration of King Kothi Hospital with Rajiv Aarogyasri Trust for providing haemodialysis services to Below the Poverty Line (BPL) patients.
- vi. A committee under the chairmanship of Managing Director of Andhra Pradesh Health & Medical Housing & Infrastructure Development Corporation, Hyderabad is established with Commissioner of Andhra Pradesh Vaidya Vidhana Parishad, Chairman of King Kothi Hospital Development Society (HDS), Superintendent of King Kothi Hospital, and three nominees of Bhagwan Mahavir Jain Relief Foundation Trust (BMJRFT) as members to oversee successful implementation of the Memorandum of Agreement (MOA). The District Coordinator of Hospital Services of Hyderabad District shall be the Member-Convener of the Committee.

5. The Commissioner of Andhra Pradesh Vaidya Vidhana Parishad, Hyderabad shall instruct the Superintendent of District Hospital at King Kothi, to earmark about 5,000 square feet of space in King Kothi Hospital for the establishment of the dialysis unit, to enable the Trust to establish 20 Dialysis units at its own cost after remodeling and refurbishing the premises. The Commissioner of Andhra Pradesh Vaidya Vidhana Parishad and the Chairman of the King Kothi Hospital Development Society are requested to enter into a Memorandum of Understanding (MoU) with the Bhagwan Mahavir Jain Relief Foundation Trust duly ensuring that the terms and conditions mentioned above at para-4 above are incorporated in the Agreement. There shall not be any financial burden on the State Government or the King Kothi Hospital, except for providing space for dialysis unit for a period of five years and payment of water and electricity charges, by the King Kothi Hospital Development Society, Hyderabad.

Contd..3.

6. The Superintendent of King Kothi Hospital shall have the overall responsibility for working in close partnership with the Bhagwan Mahavir Jain Relief Foundation Trust (BMJRFT) in ensuring successful implementation of the Public and Not-for-Profit Partnership (PNPP) Agreement. The Commissioner of Andhra Pradesh Vaidya Vidhana Parishad is requested to take immediate action in this regard. The Chief Executive Officer of Rajiv Aarogyasri Trust is requested to facilitate the process for registration of King Kothi Hospital Dialysis Unit.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
